Engaging Communities, Empowering People, Inspiring Lasting Change

Engage. Through partnerships, we can engage and connect communities, providing quality networking and professional development opportunities.

Inspire. Work to mainstream sustainability in tourism by driving lasting change in the industry, uniting conservation, communities and sustainable travel.

Empower. Sharing knowledge and resources to empower stakeholders with education and capacity building tools for professionals and communities.

Ecotourism is a viable tool for conservation, protection of biocultural diversity, and sustainable community development.

CONSERVATION

Offering market-linked long-term solutions, ecotourism provides effective economic incentives for conserving and enhancing bio-cultural diversity and helps protect the natural and cultural heritage of our beautiful planet.

COMMUNITIES

By increasing local capacity building and employment opportunities, ecotourism is an effective vehicle for empowering local communities around the world to achieve sustainable development.

INTERPRETATION

With an emphasis on enriching personal experiences and environmental awareness through interpretation, ecotourism promotes greater understanding and appreciation for nature, local society, and culture.

OPPORTUNITIES FOR PARTNERSHIPS

ENGAGE, EMPOWER, INSPIRE

Representing various industry segments and fields of expertise, a network of organizations and professionals offers an effective way to remain current in ecotourism and sustainable tourism, and an opportunity to play a role in shaping the future of tourism.
